Review & Discuss Job Description/Announcement for Coordinator Position – Callie

- Callie thanked those who had provide input on the job description earlier and asked if there were any further comments/input on latest version.
- David noted to consider including the Basin Roundtable as a resource on task #1 and noted task 3 & 4 will need clarified regarding the coordination between the diversion structure and riparian health assessments once the committees and PAC determine that.
- The question was asked if this would be an hourly position. Callie noted it is currently written as hourly but it would be put out as a request for proposal and a negotiated contract.

PAC Next Steps

- Callie asked PAC members to send her a quick email regarding their willingness to continue on the PAC since the Districts had asked for only a one year commitment.
- The group said they would like to have a meeting in March to hear an update from the committees. The District will send out a Doodle Poll to determine a date.
