

White River Algae Technical Advisory Group Meeting

December 8, 2020

1:00 Via Zoom Meetings

Alden Vanden Brink	Cory Williams	Ken Leib	Tory Eyre
Bailey Franklin	David Graf	Kendra Young	Travis Day
Ben Rogers	Erik Wardle	Lucas Turner	Tristan Nielsen
Bob Regulski	Holly Knowles	Mike Stevens	Tucker Feyder
Brian Hodge	Hunter Causey	Mindi May	Vance Herring
Callie Hendrickson	Ian Wilson	Natalie Day	
Christina Welch	Jessica Sanow	Perry Cabot	
Clay Ramey	Jocelyn Mullen	Steve Loshbaugh	
Colton Brown	June Hueser	Steve Anders	

Welcome and Introductions: Facilitator, Callie Hendrickson, welcomed everyone. She noted that the purpose of the meeting was to hear an update from USGS on their 2020 data collection.

USGS Update: Natalie Day presented 2020 data collection information. That Power Point presentation is located on the District's website or by clicking [here](#). USGS anticipates the first draft of the final report coming available Summer 2021.
